OFFICE OF LEGISLATIVE COUNSEL

Monday - 15 June 1964

25X1 1. [] Picked up from the Senate Space
25X1 Committee staff two copies of Senator Clinton Anderson's speech to
25X1 the Rotary International in Toronto, Canada. One copy of this speech
has been forwarded to [] Security.

2. [] Left with Mr. Robert Michaels, House
Appropriations Committee staff, material which had been forwarded
to us by Representative Clarence Cannon's office. This material
included in-House notes for CIA budgets for Fiscal Years 1962 and 1963
as well as various work papers of Mr. Cannon's. Mr. Michaels went
through this material and is retaining in Subcommittee files all but
some unintelligible personal notes of Mr. Cannon's which he gave to
us for destruction.

25X1 3. [] Left with the Joint Committee on
Atomic Energy staff the following material which they had requested
through O&A: "Soviet Microbiological Research Utilizing Radiation and
Ultrasonic Techniques," "Soviet Radiation Research in Biology, Soils
and Agriculture," and "Soviet Research on the Use of Ionizing Radiation
in High-Polymer Chemistry."

25X1 4. [] Although it has not been possible
yet to confirm 10 o'clock, Wednesday, with Chairman Moss, the final
day of the meeting in executive session on Agency use of the polygraph
has been scheduled for that time. Final confirmation will have to await
the Chairman's availability mid day on Tuesday.

25X1 5. [] Met with Mrs. Elizabeth Seeley,
Administrative Assistant to Congressman Robert H. Barry (R., N. Y.),
concerning her telephone query about Agency scholarships. A constituent
advised by letter that an item appearing in a New York paper indicated
that contact should be made with your Congressman or with Mr. John
McCono, Director, for detailed information on scholarships available
for individuals who would enter Agency employment upon completion of
studies. I advised Mrs. Seeley that the story is in error and there is no
such Agency program.
